Buckhaven Learning Center Inc. would like to take this opportunity to Thank you for your continued support for the Whitetails for Warriors Hunt.

Buckhaven Learning Center Inc. dba Whitetails for Warriors board members, officers and numerous volunteers would like to take this year to sharpen the hunt. It's with great sadness as a board to announce the 2020 Hunt has been cancelled due to coronavirus issues in the US today. As a community let's take the year to scout, clean, check equipment, and do research to improve the overall hunt for the return in 2021.

Thank you again, and we look forward to your continued support.

Respectfully,
Willie Costello
President
